MEDICAL DEVICE Class IIa

ORODISPERSIBLE TABLETS TO BE DISSOLVED SLOWLY IN THE MOUTH

**Golamir 2Act tablets** is an innovative Medical Device that soothes pain and irritation through an **indirect anti-inflammatory action** that **protects** the oropharyngeal mucosa. It is indicated for sore throats to treat irritation and inflammation caused by viruses, bacteria, allergens or contact with external irritants (smoke, smog and dust). The product can also be used for colds when post-nasal drip may cause throat irritation. Thanks to its natural active complex, **ActiFilm DOL**, **Golamir 2Act tablets** act on pain, burning and difficulty swallowing by protecting the mucosa from the factors that trigger irritation. **ActiFilm DOL**, consisting of tannins, resins, polysaccharides and flavonoids, forms an **active, dual-action film that acts as a barrier** and:

**protects the mucosal surface**, reducing hypersensitivity

normalises the mucosa through **indirect anti-inflammatory activity**

The tannin and resinoid fractions in **Golamir 2Act** also create an unfavourable environment for bacterial growth. The refreshing properties of Eucalyptus and Mint essential oils relieve the discomfort of throat irritation. The product is 100% natural, gluten-free and has a pleasant taste.

### INDICATIONS

It is indicated for sore throats in the treatment of irritation and inflammation of the oropharyngeal cavity, which may be caused by viruses, bacteria, allergens or contact with external irritants (smoke, smog and dust). The product can also be used for colds when post-nasal drip may cause throat irritation.

The product can be used from 6 years of age.

Given its mechanism of action, **Golamir 2Act** can also be used concomitantly with medication prescribed by a doctor.

### COMPOSITION

**Functional substances: ActiFilm DOL**, a natural active complex composed of: tannin and flavonoid fraction from Agrimony, polysaccharide fraction from Aloe vera leaf gel and resinoid fraction from Myrrh. Eucalyptus and Mint essential oils.

**Also contains:** Cane Sugar, Natural Mint and Eucalyptus flavouring.

### INSTRUCTIONS FOR USE

Take 1 tablet 3-4 times a day, letting it dissolve slowly in the mouth.

### WARNINGS

Do not use in case of individual hypersensitivity or allergy to one or more components. If symptoms persist, seek medical advice. Store at room temperature, away from heat sources and protected from light. Keep out of reach of children. The expiry date refers to the intact product, stored correctly.

It is important to have information about the medical device available, so keep both the box and the leaflet.

### PACKAGE

20 individually packaged orodispersible tablets of 1.5 g each to be dissolved slowly in the mouth.

### EXPIRY DATE

See the expiry date stated on the pack. Do not use after the expiry date indicated.

**LAST REVISION DATE:** 05/2018.
